

Ink Gin

SERVING SUGGESTIONS

1. **CG TONICA:** Pour one part gin into a large tonica glass, fill the glass with ice, top with two parts Long-Rays tonic. Garnish with one slice of dehydrated lemon, a sprinkle of juniper berries and a few butterfly pea flowers to finish it off.
2. **ROCKS:** Pour one part gin over ice into an old-fashioned glass, garnish with a slice of dehydrated lemon.

USEFUL TIPS: Also pairs well with fresh rosemary or thyme & strawberry. You can also replace tonic with soda, to let the botanicals of the gin come through more noticeably.
