

Malfy Gin 'Rosa'

SERVING SUGGESTIONS

1. **CG TONICA:** Pour one part gin into a large tonica glass, fill the glass with ice, top with two parts Long-Rays tonic. Garnish with one slice of dehydrated grapefruit, a sprinkle of juniper berries and a few chamomile flowers to finish it off.
2. **SPRITZ:** Pour one part gin over ice into a tall glass, add one part prosecco or limoncello, two parts soda, garnish with a slice of dehydrated or fresh grapefruit.

USEFUL TIPS: Try it with soda instead of tonic, to let the botanicals of the gin come through more noticeably.
