

# Kalki Moon Classic Gin

## SERVING SUGGESTIONS

1. **CG TONICA:** Pour one part gin into a large tonica glass, fill the glass with ice, top with two parts Long-Rays tonic. Garnish with a sprinkle of juniper berries, a pinch of fennel seeds, and a few lavender flowers to finish it off.
2. **MULE:** Pour one part gin over ice into a tall glass, top with ginger beer, garnish with fresh mint & lime wedge..

**USEFUL TIPS:** Replace lavender with grapefruit, to bring more citrus notes. Or, try it with soda instead of tonic, to let the botanicals of the gin come through more noticeably.
